SURPRISE, AZ 85374

CALL FOR ENTRIES: INCLUSIVE PRACTICES POSTER FAIR

Are you a high school student with a passion for promoting inclusivity in education, the workplace, and/or the community? We invite you to showcase your creativity and advocacy by participating in our Inclusive Practices Poster Fair!

 **Theme:** Accessible Dreams: Envisioning an Inclusive World in Every Space

We want you to dream big and illustrate your vision of a world where everyone is included and accepted regardless of disabilities utilizing inclusive, accessible and universal practices as they relate to school, the workplace and/or the community.

 **Focus Areas:** Choose one or more area to focus your project. Your poster should bring forth your unique idea to increase inclusion in Education, the Workplace and/or the Community. This can include adding to an existing practice or a plan that does not yet occur here in Surprise.

1. **Education:** Inclusive practices within schools, classrooms, and educational environments.
2. **Workplace:** Universal hiring practices; benefits of diversity of abilities in businesses; case study of a job and the accommodations it would take for a person with a disability etc.
3. **Community:** Highlight inclusive initiatives that bridge gaps and foster unity in communities.

★ **Additional Information:**

All high school students are eligible to participate.

Collaborative entries are welcome (maximum of 2 students per entry).

Posters will be displayed at DreamCatcher Park during the Walk n' Roll for Inclusion on April 14th.

Judging criteria can be found on our website, www.dysartsepts.org
